RE: Tentative Approval of Hazardous Waste Permit Renewal Application for Kidde–Fenwal, Inc.
Harrodsburg, Mercer County, Kentucky
EPA I.D. #: KYD-081-017-667, AI# 48471, Activity#: APE20180001

Dear Mr. Ison,

According 401 KAR Chapter 39 and 40, we are required to public notice all hazardous waste facility activities and have the supporting documentation available for public review at both our Frankfort Office and at Mercer County Public Library in Harrodsburg. You will find a copy of all documentation used to make our tentative decision to approve a hazardous waste permit renewal application for Kidde-Fenwal, Inc. in this package.

Please retain this material at your library, for review, until June 3, 2023 (the end of the public comment period). At that time, the material may be discarded.

If you have questions or need any assistance, please feel free to call me at (502) 782-6470, or by e-mail at April.Webb@ky.gov.

Again, thank you very kindly for all your help in our endeavor to make this information accessible to all concerned.

Sincerely,

4/18/2023

X April J Webb
