RADIO PUBLIC SERVICE ANNOUNCEMENT
BLUE GRASS ARMY DEPOT—RICHMOND, KENTUCKY
MADISON COUNTY

The Kentucky Energy and Environment Cabinet has tentatively decided to approve two hazardous waste permit modifications for the Blue Grass Chemical Agent-Destruction Pilot Plant at the Blue Grass Army Depot in Richmond, Kentucky.

The permit modifications will allow nerve agent treatment and destruction in two Static Detonation Chambers, or SDC Units, at the Blue Grass Army Depot. One SDC is an existing unit that will receive the addition of a new off-gas treatment system and one SDC Unit will be constructed as new facility.

The public comment period for these proposed permit actions ends on March 16, 2022.

For further information on where the draft permit and related material may be reviewed, please contact April Webb at april.webb@ky.gov.
