

KENTUCKY ACCREDITED TRAINING COURSES

This is a partial listing of asbestos trainers in Kentucky and the surrounded states. These training providers meet the qualifications to instruct asbestos courses and are accredited by the Commonwealth of Kentucky Division of Air Quality (DAQ). Proof of Training documents from other training provider's courses may be accepted if their course is approved by the USEPA or by a USEPA approved state. If you have a question about whether an additional trainer is approved, please contact emma.moreo@ky.gov. This list was prepared by the Kentucky DAQ to provide information to anyone inquiring about such services. Inclusion in this list in no way constitutes endorsement by the DAQ.
