

How to Set Up a User Account on the Kentucky Online Gateway Portal

(February 2020)

Brief History of the Well Record eForm:

- Apr 2008 Uniform Kentucky Well Construction Record (UKWCR) made available for download from the Kentucky Well Driller Certification Program Web page
- Mar 2010 Electronic submittal of UKWCR made possible through Uniform Kentucky Well Construction Record eForm, available via DEP eForms site
- Feb 2017 User accounts with login capability made available through Kentucky Business One Stop Portal (KyBOS), requiring a new One Stop User Account
- Apr 2019 DEP eForms page becomes EEC eForms site; user account management migrated to Kentucky Online Gateway (KOG) Portal, requiring new KOG User Account
- Mar 2020 Uniform Kentucky Water/Monitoring Well Reporting Record (UKWMWRR) eForm (Form 77) replaces UKWCE eForm (Form 14) with newer functionality allowing users to submit record of installation, modification or decommissioning of any temporary or permanent monitoring or water well

Currently, your KOG User Account allows you access to the EEC eForms site, where you can both submit records via eForm and manage those submittals through the EEC eForm Dashboard.
