

Seth Long has been the Executive Director of Housing Oriented Ministries Established for Service, Inc. (HOMES, Inc.) in Letcher County, Kentucky, since 2008. Originally from southeastern Pennsylvania, Seth and his wife moved to Kentucky in 1991 to volunteer with HOMES, Inc. They decided to stick around. Under his leadership, HOMES, Inc. has developed 275 homebuyer opportunities, completed numerous rehab projects, and created over 62 affordable, energy-efficient rentals units.

Seth is committed to thinking about opportunities which focus on housing and the important role that housing plays as an element of a healthy community. In recent years, he has started a social enterprise focused on solar evaluation/design/installation for businesses and residences in Eastern Kentucky to enhance sustainability. Outside of his role at HOMES, Seth and his family own and operate SouthDown Farm in Letcher county, where they produce Kentucky Maple Syrup.
