**Be Part of the Solution!**

**Common Sense Precautions:**
- Do not burn within 50 feet of any structure.
- Do not burn near landfills.
- Do not burn near streams or sinkholes.
- Do not burn near utility lines.
- Do not burn on windy days.

**Alternatives to Open Burning:**

**Reduce, Reuse, and Recycle**
- Donate old clothes, shoes, books, appliances, electronics, furniture and toys to charity.
- Carry a coffee mug with you instead of disposable cups.
- Bring your own cloth bag to the store.
- Many counties in Kentucky have a community recycling center that accepts some or all of these:
  - Newspaper
  - Aluminum
  - Plastics #1 - #7
  - Steel
  - Cardboard
  - Glass

**Compost**
- Leaves and grass clippings can be turned into food for your garden or houseplants.
- Tie four wood pallets together to make a simple compost bin.

**Landfill**
- Items that cannot be reused or recycled should be taken to a landfill or solid waste transfer station. Many counties have one day a month FREE of charge.

Contact your local solid waste coordinator for more information or visit [eec.ky.gov/Environmental-Protection/Waste](http://eec.ky.gov/Environmental-Protection/Waste) for a county-by-county listing of recycling centers.

Kentucky Division for Air Quality
eec.ky.gov/Environmental-Protection/Air

The Kentucky Energy and Environment Cabinet does not discriminate on the basis of race, color, national origin, sex, age, religion or disability, sexual orientation, gender identity, ancestry or veteran status, and provides, on request reasonable accommodations including auxiliary aids and services necessary to afford an individual with a disability an equal opportunity to participate in all services, programs and activities. To request materials in an alternative format, contact the Division. Hearing-and speech-impaired persons can contact the agency by using the Kentucky Relay Service, a toll-free telecommunication device for the deaf (TTY). For voice to TTY, call 1-800-648-6057. For TTY to voice, call 1-800-648-6056.

Printed on recycled paper with state funds. Revised 8/19
**ILLEGAL OPEN BURNING**

**Learn Before You Burn**

According to KY Title 401 KAR 63:005, some open burning is legal, with restrictions. But **most materials are actually illegal to burn**. The Division for Air Quality can impose fines of up to $25,000 per day per violation of the law. It pays to learn before you burn!

**Serious Health Risks**

Today's trash is different; plastics, chemicals, and numerous other synthetic materials are far more common in the stuff we throw away. Burning this trash releases high levels of toxic pollutants such as dioxins, sulfur dioxide, lead, and mercury. Children and the elderly are especially sensitive to the air pollution from open burning.

![An example of an illegal open burn.](image)

**What are dioxins?**

Even the most common household trash produces **dioxins** when burned. Dioxins are dangerous at extremely low levels and have been linked to cancer and other serious health problems. The EPA has shown that open burning of household garbage is the nation's largest source of non-industrial dioxin emissions.

Dioxins from open burning end up in our water and soil. They accumulate in animal tissue and enter our food supply, especially when we consume meat and dairy products.

**LEGAL OPEN BURNING**

(always check local laws before you burn)

**Agriculture**

- Plant Beds
- Tobacco Curing

**Land Management (Onsite Only)**

- Storm Debris (tree limbs) *
- Natural Growth from Land Clearing *
- Natural Land Management *

**Construction Site Warming Fires**

- Contained in 55 gallon drum (maximum)
- Clean lumber only
- Only when air temperature is below 50°

**Miscellaneous**

- Camp Fires (cured/seasoned wood)
- Ceremonial Bonfires
- Cooking
- Uncoated Household Paper & Cardboard Products *

* Except in non-attainment counties during ozone season; see below.

**Additional Restrictions**

- **Fire Emergencies:** ALL open burning is prohibited when a fire emergency is declared.

- **Fire Hazard Season:** From Oct. 1 - Dec. 15 and from Feb. 15 - Apr. 30, burning within 150 feet of any woodland area is allowed only between 6 PM & 6 AM.

- **“Non-Attainment” Counties:** From May-Sept., open burning is further restricted in the following counties: Boone, Boyd, Bullitt, Campbell, Jefferson, Kenton, Lawrence, & Oldham. These counties are or were previously designated “non-attainment” for ozone and/or particulate matter because their pollution levels exceeded those permitted by the federal Clean Air Act.

---

**Report Illegal Burning**

Illegal open burning is harmful to human health and to the environment. Report suspected cases of illegal burning by calling the open burning complaints and information line:

502-782-6592

Protect your children’s health. Be a good neighbor. Follow the law. Do not burn illegally!
