EKPC Bluegrass Generating Station
Source ID: 21-185-00036
Agency Interest #: 39541

East Kentucky Power Cooperative, Inc of 4775 Lexington Road, PO Box 707, Winchester, KY 40392 has applied to the Kentucky Division for Air Quality for a significant revision to the air permit to operate a fossil fuel-fired electric generation facility at 3095 Commerce Parkway, LaGrange, KY 40031. The plant is classified as a Title V major source due to its emissions of CO and NO_x. This permit contains practically enforceable limitations to restrict this source's potential emissions of CO and NO_x to less than PSD major stationary source thresholds.

Official copies of the Division's draft permit and relevant supporting information are available for inspection by the public at <https://eec.ky.gov/Environmental-Protection/Air/Pages/Public-Notices.aspx> and during normal business hours at the following locations:

Division for Air Quality, 300 Sower Boulevard, 2nd Floor, Frankfort, KY 40601, (502) 564-3999; Division for Air Quality, Frankfort Regional Office, 300 Sower Boulevard, 1st Floor, Frankfort, KY 40601, (502) 564-3358.

For a period of 30 days the Division is soliciting comments on the draft permit and affording the opportunity for a public hearing. The first day of the 30-day period is the day this notice is posted on the website above. Comments and/or public hearing requests should be sent to Michelle McCloskey at 300 Sower Boulevard, 2nd Floor, Frankfort, KY 40601 or via email to AIRKentucky@ky.gov. Any person who requests a public hearing must state the issues to be raised at the hearing. If the Division finds that a hearing will contribute to the decision-making process by clarifying significant issues affecting the draft permit, a hearing will be announced. All relevant comments will be considered in issuing the proposed permit. U.S. EPA has up to 45 days to submit comments. The status regarding EPA's 45-day review of this project and the deadline for submitting a citizen petition will be posted at the following website address: <https://www.epa.gov/caa-permitting/kentucky-proposed-title-v-permits>; shortly after the end of this 30-day comment period. Further information can be obtained by calling Michelle McCloskey at 502-782-6713.
