

AIR QUALITY PERMIT NOTICE

Draft Title V Permit V-18-053 R2

Hopkins County Regional Landfill

Source ID: 21-107-00155

Agency Interest #: 38541

Bituminous Resources, Inc. dba Hopkins County Regional Landfill of 419 Claude Young Road, White Plains, KY 42464 has applied to the Kentucky Division for Air Quality for a significant revision to the permit to construct/operate a renewable natural gas facility with an associated flare and emergency engine at a Solid Waste Landfill facility at 419 Claude Young Road, White Plains, KY 42464. A Title V permit is required for landfills with design capacities greater than or equal to 2.5 million megagrams and 2.5 million cubic meters. Construction authorized by this permit will increase potential emissions of CO by 75.16 tons per year, NO_x by 19.83 tons per year, PM, PM₁₀, and PM_{2.5} 3.49 tons per year, SO₂ by 37.31 tons per year, VOC by 2.08 tons per year, and total HAPs by 2.09 tons per year.

Official copies of the Division's draft permit and relevant supporting information are available for inspection by the public at <https://eec.ky.gov/Environmental-Protection/Air/Pages/Public-Notices.aspx> and during normal business hours at the following locations:

Division for Air Quality, 300 Sower Boulevard, 2nd Floor, Frankfort, KY 40601, Phone (502) 564-3999; and Division for Air Quality, Owensboro Regional Office, 3032 Alvey Park Dr. W., Owensboro, KY 42303, Phone (270) 687-7304.

For a period of 30 days the Division is soliciting comments on the draft permit and affording the opportunity for a public hearing. The first day of the 30 day period is the day this notice is posted on the website above. Comments and/or public hearing requests should be sent to at 300 Sower Boulevard, 2nd Floor, Frankfort, KY 40601 or via email to AIRKentucky@ky.gov. Any person who requests a public hearing must state the issues to be raised at the hearing. If the Division finds that a hearing will contribute to the decision-making process by clarifying significant issues affecting the draft permit, a hearing will be announced. All relevant comments will be considered in issuing the proposed permit. U.S. EPA has up to 45 days following issuance of the proposed permit to submit comments. The status regarding EPA's 45-day review of this project and the deadline for submitting a citizen petition will be posted at the following website address: <https://www.epa.gov/caa-permitting/kentucky-proposed-title-v-permits> shortly after the end of this 30-day comment period. Further information can be obtained by calling Michelle McCloskey calling at 502-782-6713.

The Commonwealth of Kentucky does not discriminate on the basis of race, color, national origin, sex, religion, age or disability in employment or the provision of services and provides, upon request, reasonable accommodation including auxiliary aides and services necessary to afford individuals an equal opportunity to participate in all programs and activities. Materials will be provided in alternate format upon request.
