

**NOTICE OF PUBLIC HEARING  
KENTUCKY DIVISION FOR AIR QUALITY  
PROPOSED REGULATORY AMENDMENTS**

The Kentucky Division for Air Quality will conduct a virtual public hearing on February 24, 2021, at 10:00 a.m. at the following website address: <https://global.gotomeeting.com/join/212720813>. The hearing can also be accessed by phone: +1 (224) 501-3412 using access code 212-720-813. This hearing will be held to receive comments on the following proposed regulations:

**401 KAR 60:005. 40 C.F.R. Part 60 standards of performance for new stationary sources.**

**401 KAR 63:002. 40 C.F.R. Part 63 national emission standards for hazardous air pollutants.**

The proposed amendments to these administrative regulations will update existing language to include amendments to 40 C.F.R. Part 60 and 40 C.F.R. Part 63 that have been promulgated by the U.S. EPA.

This virtual hearing is open to the public and all interested persons will be given the opportunity to present testimony. Please note that registration is required to participate in this hearing. To participate, you must send your name, affiliation, mailing address and email address to the contact person. Please put "NSPS and NESHAP Public Hearing" as the subject line and state in the body of the message if you plan to speak during the virtual hearing. To assure that all comments are accurately recorded, the Division requests that oral comments presented at the hearing are also provided in written form, if possible. It is not necessary that the hearing be held or attended in order for persons to comment on the proposed regulatory amendments. If no request for a public hearing is received by February 16, 2021, the hearing will be cancelled, and notice of the cancellation will be posted at <https://eec.ky.gov/Environmental-Protection/Air/Pages/public-notices.aspx>. Written comments should be sent to the contact person and must be received by February 28, 2021, to be considered part of the public record.

The Energy and Environment Cabinet does not discriminate on the basis of race, color, national origin, sex, age, religion, or disability and provides, upon request, reasonable accommodation including auxiliary aids and services necessary to afford an individual with a disability an equal opportunity to participate in all services, programs, and activities.

Any individual requiring copies of the proposed amendments may submit a request to the Division for Air Quality in writing, by telephone, by FAX, or e-mail. Requests for copies should be directed to the contact person. The proposed regulation can be accessed at: <https://apps.legislature.ky.gov/law/kar/TITLE401.HTM>.
