

## KENTUCKY ACCREDITED TRAINING COURSES

This is a partial listing of asbestos trainers in Kentucky and the surrounded states. These training providers meet the qualifications to instruct asbestos courses and are accredited by the Commonwealth of Kentucky Division of Air Quality (DAQ), another state, or the USEPA. Proof of Training documents from other training provider's courses may be accepted if their course is approved by the USEPA or by a USEPA approved state. If you have a question about whether an additional trainer is approved, please contact [emma.moreo@ky.gov](mailto:emma.moreo@ky.gov). This list was prepared by the Kentucky DAQ to provide information to anyone inquiring about such services. Inclusion in this list in no way constitutes endorsement by the DAQ.

Please contact us if you are an approved trainer and are not on this list or would like to update information listed below. If you have any question please contact DAQ's Field Support Section at (502) 782-6717.
