All exam only events will be held at :

DEP Training Center, 300 Sower Blvd., Frankfort, KY 40601.

Exam start at 8:30 a.m. Please arrive at least 15 minutes prior to the exam start time.

Office Hours with Trainers is your opportunity to ask questions and study one-on-one with the trainers.

We encourage you to take advantage of this opportunity.

# Testing Procedures

All testing events start at 8:30 a.m.  
Please arrive during your designated arrival time.

Your arrival window time should be emailed to you by office staff. **DO NOT** enter the building before this time. We are staggering arrival times to better manage social distancing. Testing will begin at 8:30 am.

## To be protective of operators and staff please read through the following required procedures for testing.

- Please do not report to test if you are feeling ill or experiencing any Coronavirus symptoms such as a fever, coughing, shortness of breath, etc. A full list of symptoms can be found at the CDC's website at <https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html>.
- **You must wear a mask at all times when in the building.**
- Please bring your own calculator, scratch paper and #2 pencil. Phone calculators can't be used during the test.
- Please be aware of markings on the floor that help maintain social distancing.
- We will check IDs at the registration desk, however staff will not physically touch the ID and there is no roster sign-in.
- Your temperature will be taken before proceeding to the testing room. Should you have a fever, you will not be allowed to test and will be asked to reschedule to another date.
- Hand sanitizer will be available at registration and in the testing room.
- Your test and scorecard will be at your assigned test station.
- You will have 4 hours to complete the exam.
- Upon completing the exam all scratch paper, exam booklets and scantron sheets will be deposited in boxes as you leave the testing room.
- As we may not be able to perform some of our typical services, please take the time to look through your scantron sheet to ensure that you have filled in an answer for each of the 100 questions. We will not be checking this when you turn in the test.
- Test results will be available in roughly 72 hours after testing on our exam results page.
