

**PUBLIC NOTICE**

Pursuant to Application No. APE20150004  
Agency Interest No. 3148/ Permit No. 084-00010

The Energy and Environment Cabinet, Division of Waste Management, has received an application for a minor modification from Kentucky Utilities Company (KU) for the E.W. Brown Generating Station located in Mercer County.

The minor modification proposes to remove a permit condition which requires KU to submit a plan to the Division outlining a procedure for introducing a tracer into the Special Waste Landfill for the purpose of distinguishing between sources of leachate. The modification application is currently under review by the Division, and no determination has been made regarding its technical completeness.

The E.W. Brown Generating Station may be accessed by travelling from Exit 58 on Interstate 64 by traveling east onto US Route 60 for approximately 9 miles, south onto State Highway 33 for approximately 21 miles, east onto State Highway 342 for approximately 1.3 miles, then turn right to the facility entrance.

The name and address of the permit applicant is:
