Good morning,

Yesterday afternoon, the Division of Waste Management (DWM) received correspondence from Mr. Robert Olds. He voluntarily requested the withdrawal of the two landfarming permit modifications currently under review by the DWM associated with AI 128929. Attached is the withdraw approval letter issued this morning.

Please forward this email to any interested parties. Given the timeframe, it is impossible for DWM staff to follow typical notification procedures. As many of you know, a public meeting and public hearing are scheduled for tomorrow, August 8, 2019 at the Bedford Elementary School. DWM representatives will be present at 5:15 for the public meeting given the short notice and to answer any questions. The representatives will stay until at least 6:15 to let anyone that appears know the public hearing is cancelled.

If you have any questions about this action, please contact me at (502)782-6426 or Jamie.Nielsen@ky.gov.

Sincerely,

Jamie Nielsen
