RE: Correction to Response to Comments
Permit Renewal
River Cities Disposal, LLC - Big Run Landfill
Agency Interest No. 40319
Application I.D. No. APE20150006
Boyd County

Dear Judge Towler and Mr. Hewes:

The Kentucky Energy and Environment Cabinet (“Cabinet”) received an application for the renewal of a permit for River Cities Disposal, LLC initially on June 9, 2015 (APE20150006).

On April 29, 2016, the Cabinet issued the renewal permit and a response to the comments. The response to comments document, which addresses the comments received during the public comment periods, was made available to the public at www.waste.ky.gov and at the Division of Waste Management's Frankfort office between 8:30 A.M and 4:00 P.M. weekdays by appointment only. The response to comments document was also sent to the Boyd County Public Library in Ashland, KY during normal operating hours.

It has since been brought to the attention of the Division of Waste Management that the response to comments contained an error in the response to comment number one (1). The renewal permit (referred to as the “final permit”) was not issued on February 24, 2016, but was

issued on April 29, 2016, concurrently with the response to comments. The last sentence of the response to Comment 1 should have read: "The condition remains in the final permit issued on April 29, 2016 ("final permit")."

Additionally, please be advised that on June 20, 2016, the Solid Waste Branch will be relocated to the below address:

Division of Waste Management

Please send all future correspondence, applications, and reports, etc. to the new address after June 20, 2016. The general phone number will remain the same, but each individual staff member will be issued a unique phone number.
