

**RADIO PUBLIC SERVICE ANNOUNCEMENT
BLUE GRASS ARMY DEPOT—RICHMOND, KENTUCKY
MADISON COUNTY**

The Kentucky Energy and Environment Cabinet has tentatively decided to approve five hazardous waste permit modifications for the Blue Grass Chemical Agent-Destruction Pilot Plant at the Blue Grass Army Depot in Richmond, Kentucky.

The permit modifications will allow separating rocket warheads from rocket motors, containerizing rocket warheads, and storing the containerized warheads in existing storage facilities at the Blue Grass Army Depot.

The public comment period for these proposed permit actions ends on April 28, 2021.

For further information on where the draft permit and related material may be reviewed, please contact April Webb at april.webb@ky.gov.
