Hazardous Waste Facilities in emergency declared counties

TO: Hazardous Waste Facilities in emergency declared counties affected by 2025 Kentucky floods

FROM: Brian Osterman, Director  
Division of Waste Management

SUBJECT: Unplanned Episodic Generation Events in emergency declared counties affected by 2025 Kentucky floods  
Very Small Quantity & Small Quantity Hazardous Waste Generators

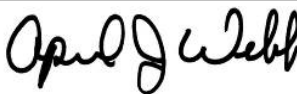

Dear affected facilities,

Based on the widespread damage by the 2025 Floods, the Division of Waste Management is issuing a blanket acknowledgment of notification for an unplanned episodic event for all facilities impacted by the April 6-8th weather. This acknowledgment satisfies the affected facilities' requirement to comply with the 72-hour notice qualification for the unplanned episodic generation events.

Utilization of this event constitutes each facility's remaining unplanned episodic event for the year 2025. Any further planned episodic events for the year 2025 must be approved by the Division. For any further assistance please don't hesitate to contact the Hazardous Waste Branch at [Brandon.may@ky.gov](mailto:Brandon.may@ky.gov) or [Justina.Bascombe@ky.gov](mailto:Justina.Bascombe@ky.gov)

Respectfully,

4/10/2025
