

RECYCLING EQUIPMENT DEALERS

(Balers, Conveyors, Glass Pulverizers, Forklifts, and Aluminum Can Densifiers)

This listing is for information only. It is neither an endorsement nor a guarantee of current vender purchasing policies. The Kentucky Division of Waste Management assumes no responsibility for equipment sales or service.

This listing includes state, regional, and national equipment dealers and recycling companies. All had to responded to surveys to be considered viable venders in Kentucky.

While the listed venders voluntarily provided the information below, purchasers must negotiate with the selected vender's specific terms on equipment prices and shipping arrangements.
