The Butler County Solid Waste Office directs the Butler County Litter Abatement and Clean Up programs. The office can also be of service to any citizen who wishes to dispose of old appliances, leftover paint, oil, antifreeze, and abandoned cars or has questions about other solid waste issues.

How do I get rid of oil or antifreeze?
If you have oil to dispose of or antifreeze the AutoZone Stores and Quick Lube in Bowling Green will accept up to 5 gallons of used oil per week per person at no charge or fee and they will recycle it.

Citizens wishing to dispose of antifreeze in an environmentally safe manner and can bring it to both the Butler County Road Departments; both recycle it for use in their equipment.

How do I dispose of leftover paint?
Leftover paint is a common problem, but it can easily be disposed of in your garbage if it is a solid. Simply remove the lid of the can to air-dry the paint. You may need to add kitty litter, paint hardener or other drying agents to the paint to allow it to dry faster. Once the paint is a solid, you may throw it away with your regular garbage. Be sure to leave the lid off the can to show the waste hauler that the paint is dry.

**Notes:**
Solid waste is household trash that in the past has gone to landfills. By recycling, a considerable amount of the solid waste that would end up in landfills can be eliminated.

The Caldwell County recycling center is now located at 200 Eagon St. Princeton KY 42445. The recycling center currently accepts newspapers, magazines, corrugated cardboard, office paper, clear glass, tin and aluminum cans, and #1 and #2 plastic (milk jugs and drink bottles).

The county will also accept oil, for recycling, at the County Garage (945 Sandlick Rd, Princeton) on the 3rd Thursday of each month.

For questions regarding recycling, illegal dumping, or any other solid waste issues please contact Lynn Williams at 270-365-5199 or through the Judge Executive’s office at 270-365-6660.

For university staff and students only. Murray State University Recycling Program consists of education, promotion, cooperation and recognition. The success of these processes requires the services and cooperation of the Department for Facilities Management personnel. Those specifically involved include staff in the Building Services Division, Grounds Division, Transportation Services, Facilities Finance and Administration and the Office of Environmental Safety and Health. The University most actively recycles paper, cardboard, plastic and aluminum cans. In addition, it recycles more than 30 other items. Recycling at Murray State is a two-part process: Your Part and Our Part. Your Part - Source Separation
There are three containers next to most desks at Murray State: A blue container for white office paper. A red container for mixed office paper. A neutral (tan, brown, green, etc.) container for trash. Your part in this process is source separation. Source separation is the key to Murray State's recycling success. Sorting paper at your desk is a key factor in the success of the University Recycling Program. Placing the cardboard in the bin is done most efficiently, if you break the box(es) down first. If you have numerous boxes to remove, please call the Recycling Line at 809-3183.

Notes:

Trash and Recycling Collection

New Changes to Trash and Recycling Collection Coming July 1, 2017

Beginning July 1, 2017 recycling collection will be available to all residents at no additional cost and trash moves to once a week collection. Recycling will be collected on the same day as trash. All Newport households currently have a Rumpke 95-gallon trash cart. (Residents may choose to use their own trash containers as long as it has a lid.) Residents will receive a 65-gallon recycling cart delivered to their home the last week of June 2017. All residents will receive a flyer mailed to their home detailing the changes and explaining what is acceptable in recycling collection and a postcard advising residents what their new collection day will be. You can also check the searchable map or the neighborhood overview to find your new collection day.

Large Items, Appliances, and Bed Bugs
• If you have a piece of furniture or other large item or excessive amounts of trash, please call Rumpke (1-877-786-7537) at least 24 hours before your regularly scheduled collection.
• Television sets cannot exceed 32 inches for curbside pick-up. Watch for special disposal options during Litterfest in the spring and fall.
• Any mattress or upholstered furniture that may be contaminated with bedbugs must be encased in disposable plastic for removal.
• Carpet should be rolled and tied or duct taped in sections not longer than four feet in length.
• Appliances containing refrigerant (such as air conditioners or freezers) must have the Freon removed by a certified technician and be marked with the appropriate sticker before being placed out for curbside collection.
• According to Federal law, Rumpke is not permitted to accept batteries, tires, liquids, combustible materials or any items identified as hazardous.

Kim Serra (859) 547-1810

Serves: COUNTY

Function: DROPOFF
Materials: GL, AL, PL (HDPE, PET), OCC, ST CANS, MRP
Notes:

ACCEPTS: Glass Bottles & Jars (all colors)
- Metal Cans: aluminum cans, steel cans and lids, empty aerosol cans with the lids and tips removed
- Plastic Bottles: bottles and jugs that have a small mouth and wider base, such as milk jugs, soda bottles, laundry detergent bottles, water bottles, shampoo bottles and contact solution bottles
- Paper: newspaper, magazines, cardboard, mixed office paper and envelopes, paperboard (cereal boxes), pizza boxes free of food debris and grease, telephone books and catalogs
- Cartons: food and beverage cartons, such as milk, juice, soup, wine, broth and other cartons.

Recycling Tips
- Mix all items together – no separation required
- Empty all bottles, jugs, and cans
- No need to remove labels
- For plastic bottles, empty, crush and reattach lids
- For cartons, remove plastic caps and straws
- NEVER place medical sharps or needles in the recycling dumpster
- DON’T use plastic bags

NOT for Recycling

No plastic bags, cassette tapes, bed sheets, hangers, metal chains, garden hoses, batteries, needles, syringes, electronics, polystyrene foam, buckets, butter tubs, car parts, food, yard waste, light bulbs, drinking glasses, ceramics, pots, pans, and scrap metal

PMC Organometallix’s flagship manufacturing facility in Carrollton, Kentucky, USA is one of the largest facilities of its kind in the world, employing a staff of about 145 people. Initially established in 1958, the site has a long history of organometallic chemical production. PMC Group has recently invested significant capacity expansions and additions to consolidate Cincinnati operations into Carrollton.

The plant manufactures Thermolite® and ADVASTAB® organotin stabilizers, FASCAT® catalysts, and fine chemicals including Grignard reagents. An experienced technical team leverages development labs and a pilot plant facility to provide solutions for customers worldwide.

The local community of Carrollton, Kentucky is a stakeholder in the business and site. As such, PMC Group participates in a Community Advisory Panel that maintains a budget for community projects, such as scholarships, shelter-in-place kits, etc. Other community support activities include local emergency planning, hosting an annual household hazardous waste collection and recycling event, and providing a recycling center for the community.

Recycling Center, LLC
7635 Pembroke Rd
Pembroke, Ky 42266
Office Phone/fax: 270-475-4808

Recycling Center, LLC was owned and operated in Pembroke, Ky by Ralph Combs for 20 years. It was purchased from his daughter Rachel, in September of 2009 by myself, Kevin Covington. I continued to operate as Ralph did, running the business while also farming and working with my brother at our family grain business.

In the fall of 2010, Recycling Center LLC acquired Ky Waste Paper of Hopkinsville, Ky. It was owned and managed by Terry Bullock for more than 20 years. Both companies have developed great working relationships with local businesses and factories, handling their cardboard and paper.

Welcome to Dahl & Groezinger - We are a 5th generation scrap iron & metal recycling business that purchases steel, aluminum, copper, brass, stainless (and more) from both individuals and businesses. We supply buyers across the nation and ship internationally to buyers throughout the world.

Founded in 1885, Dahl and Groezinger has the distinction of being Kentucky’s oldest family-owned scrap iron and metal processor. We are proud to be a family owned and operated business, and take personal pride in maintaining a quality facility and providing unsurpassed service to our customers.

Our goal is to help industries become a zero waste landfill by offering a recycling plan to accommodate their industrial waste disposal needs. We can tailor a strategy to meet the specific needs of each individual company, allowing your company to focus on other areas of productivity, thereby increasing overall efficiency.

We work with a variety of big name corporations around the Owensboro, KY, area. If you think your business could benefit from our recycling services, contact us today!
First Time Selling Scrap Metal To River Metals Recycling?
It’s a cinch. Simply drop off any ferrous scrap (metal that sticks to a magnet like iron, steel or an automobile) or nonferrous scrap (like aluminum, copper, brass, and wire) and get paid in cash. It’s a great way to make money, while helping to preserve and protect the environment.
Become a valued customer today!
Bring your scrap in your car, truck or trailer. Get it weighed at our certified scales. Unload, and then get paid our competitive current market scrap prices at our self-service ATM.
Before your Load Your Material
1. Review our Scrap Specifications list of what don’t buy or items that must meet special conditions.
2. Find the location nearest you. Call us for current day scrap pricing!
3. Review the yard layout.
4. Get Directions to the facility nearest to your home or office.

We Buy Old scrap metal items, like the ones you might have around your house.
1. Arrive at our facility, where a greeter will direct you (in most locations) to the ferrous or nonferrous area of the scrap yard based on what you’ve brought in that day.
2. Drive onto our scale with your scrap and present a valid photo ID, receive your weigh in ticket.
3. Proceed to the unloading area and remove the scrap metal from your vehicle. Please note, to keep our prices competitive, we may not have staff available to assist with unloading so if it took two people to load it, bring them along for help in unloading.
4. Go to the weigh out area, and we’ll give you a ticket based on the scrap’s weight and current scrap prices.
5. Take your ticket to the ATM follow the instructions on the kiosk and get cash for your scrap!

David Ratliff
(859) 225-8100

Type: COMMERCIAL RECYCLER
Serves: STATE

Function: PROCESS, BROKER, OTHER
Materials: OCC, OPMIX, OPSORT, ONP
Notes:
As a regional recovered-paper processing and distribution facility, we help area businesses and municipalities identify, collect, and market recyclable paper, plastic, and metal products. We provide free consultations regarding new and existing material-recovery programs, helping clients determine what the material is and how it can be packaged effectively to produce the greatest return.

• We market large volumes of recyclable materials on national as well as international markets, helping you get the best prices for your materials. If you’re looking to start a recycling program, we offer services, equipment, and supplies that support turnkey recycling programs. You can get started quickly, with minimal capital investment. Our facility is conveniently located near downtown Lexington, just minutes from I-75 and I-64. We can accommodate small and large loads, bulk dumps and tractor-trailer loads. Materials can be delivered loose, gaylorded, skidded or baled. Our services include pickup of loose, baled, or palletized recovered paper. We also process, market, and broker all wastepaper grades.

**Notes:**

**PAPER RECYCLING PROGRAM FOR GOVERNMENT AGENCIES ONLY.**
KGRS staff provide weekly collection of many types of paper and cardboard, as well as confidential document destruction, to state agencies within Frankfort. KGRS staff can provide agencies with information on how to purchase containers for collection of white office paper, lockable containers for confidential document destruction, newsprint and mixed paper.

Employees should separate material at their workspaces and then place it in the appropriate collection container staged in a central location in each office. Each cabinet should also assign a coordinator for each building to be the point of contact for working with the KGRS staff.

Materials: AL, FE, NONFE, CARBAT, WHITE, ESCRAP
Notes:

Hours of operation m-f 8:00 a.m.-5:00; Sat till noon
Green State Metals of E-Town, KY purchases a wide variety of metals from the public. We make it a priority to provide our customers with the convenience of selling all types of their scrap. We are currently renovating our yard to include a non-ferrous receiving depot and drive through payment area

Website: https://www.facebook.com/pg/GreenStateMetals/about
Email: miller_t@yahoo.com
Directions: https://www.google.com/maps/place/Green+Stat
Our recycling center is available 24 hours a day, seven days a week at Hardin County Farmers’ Market, located at U.S. 62 (Leitchfield Road) and Peterson Drive.

What items are not accepted at the recycling center?
We cannot accept glass, Styrofoam, light bulbs, plastic bags, phone books, food wrappers, plastics 3 through 7, liquids, helium tanks, electronics, batteries or appliances.

What are some helpful recycling hints?
Rinse all containers
Remove all lids
Flatten all cardboard

**Hours & Operation**

You can bring your sorted residential and business recycling regardless if you live in the city or county. The hours of operation are Monday through Friday from 7 a.m. to 3:30 p.m. We are closed on all county holidays. Our location is:

398 Sam Ball Way
Henderson, KY 42420

Also for your convenience we have a large recycling container for after-hours drop off and holiday weekends. We are a free alternative to your curbside pickup but you have to transport your recycling to us.

**Notes:**

**Curbside Pickup**  
**Henderson 5 Day Route Plan**

The City of Henderson will have their recycling picked up on a bi-weekly basis. It will be picked up on your normal trash day every two weeks. Please call the number above to see when recycling will be picked up for your particular address. Place your recycling cart at the curb before 5:00 a.m. or the night before your pick-up day. Place the cart with the handle facing your house.

Items do not need to be separated. Rinse any container that had food or beverage in it and put all your recyclables into the cart. Please bag your paper items, i.e. newspapers, junk mail, school papers, magazines, etc. Do not force cardboard or other material into the cart. It can become wedged and prevent the cart from emptying completely. Wet recycling materials may freeze to the inside of the cart during the winter months. Please keep the material dry.

From homeowners and small recycling businesses to hulking industries and demolition sites, CRHC Freedom Metals, LLC serves the community by collecting and recycling ferrous and non-ferrous metals. This valuable service not only helps to get rid of unwanted metals around homes, neighborhoods, commercial areas, and industrial areas, it also helps the environment by reducing the usage of raw materials and energy.

Recycling Management Resources (RMR) is a plant-based recycling group focused on maximizing its client’s revenue generation from recyclable paper, plastic and metal scrap. We specialize in setting up industrial programs for Segregation, Collection and Movement of Recyclable Materials throughout North America and Europe with networks and customers all over the world.

With plant locations in Atlanta, GA, Raleigh, NC, High Point, NC, Louisville, KY, Barton, AL, and Philadelphia, PA, Wilmington, DE, Camden, NJ, and Richmond, VA; RMR is strategically located in order to provide plant services to its largest supply markets. All of our plants are equipped with roll cutters, shredders, and balers which provides the ability to service any and all needs from document destruction to warehouse or salvage cleanouts. With our own tractors and over 400 53’ van trailers, on time service is a top priority.

Kentucky Recycling Facilities By County

KENTON COUNTY

Kenton County Public Works
420 Independence Station
Independence, KY 41051

Melissa Grandstaff (859) 392-1920 Serves: COUNTY

Type: GOVERNMENT FACILITY

Function: DROPOFF
Materials: GL, AL, PL (HDPE, PET), WHITE, ONP, MRP, RUB

Notes:
Residential recycling in Kenton County has been made convenient by the addition of recycling bins located throughout the county. Residential recycling is a fast growing segment of NKY life and government. The following 3 recycling locations have been provided by the Kenton County Fiscal Court.

Lincoln Ridge Park
420 Independence Station Rd.
Independence, KY. 41051

Items accepted in the bin are aluminum cans, paper, plastic and glass containers
On the first Saturday of every month "open dumping" is available from 9am - 2pm. Non-hazardous trash will be accepted. 4 tires per resident (unless otherwise noted).

Pioneer Park
Madison Pike
Covington, KY 41017

Pioneer Park currently has 2 bins on site
Items accepted in the bin are aluminum cans, paper, plastic and glass containers

Ryland Heights City Building
10145 Decoursey Pike
Ryland Heights, KY 41015

Items accepted in the bin are aluminum cans, paper, plastic and glass containers

Livingston Co. Convenience Center
761 Cut-Off Road
Smithland KY 42081

Stephanie Smith (270) 928-2105

Type: GOVERNMENT FACILITY

Function: HANDLER, DROPOFF
Materials: GL, AL, PL (HDPE, PET), ST CANS, WHITE, ONP, MRP
Notes: Do your part and recycle in Livingston County
Many items can be recycled in Livingston County:

PAPER: Newspaper, books, telephone books and magazines.

GLASS: Clear glass bottles & jars only. In the near future colored glass & jars will be accepted. (Watch for details) DO NOT INCLUDE: plate glass, Pyrex, ceramics, light bulbs or mirrors

PLASTIC: Any plastic beverage & milk containers with #1 & #2 on the bottom of the container.

CANS: Aluminum & Steel including pet food cans & cans with white lining. DO NOT INCLUDE: Aluminum scraps such as foil or siding.

ABOSOLUTELY NO FOOD WASTE.

Here are the preparations for recycling:
Newspapers must be dry. Secure newspaper with string or place in brown paper bag.
Cardboard must be dry and please breakdown boxes.
Glass: including clear glass bottles & jars. Rinse containers, remove lids and caps. Labels do not need to be removed.
Plastic: Rinse containers, remove lids and caps. Labels do not need to be removed.
Cans: Aluminum & Steel. Empty cans, rinse & remove food waste or refuse.
Bulk containers are available at North Elementary and South Elementary.
Bulk containers are also available Monday, Wednesday and Saturday during normal business hours at the Livingston County Convenience Center, 761 Cut Off Road.

**Notes:**
Cumberland Scrap Processors recycles multiple commodities of ferrous and non-ferrous metal at our facility in Russellville, Kentucky. We buy scrap metal from local, drive-up customers, as well as from commercial, industrial and demolition clients. The scrap metal is processed and shipped to steel mills, foundries, and smelters via barge, rail and truck. We offer more competitive pricing to our customers due to our well trained team, which enable us to find the best markets for each type of metal.

Notes:

Curbside Collection

The Madison County Recycling Program consists of approximately 2600 homes, in 70 neighborhoods, and three schools. Our recycling truck collects the recyclables here and transports them to the Lexington-Fayette Urban County Government (LFUCG) sorting facility where they are processed and marketed. LFUCG pays Madison County for the previous months goods. Records of the program are collected and kept on file in our office. For the calendar year 2016, we collected 417 tons, which is an outstanding amount, considering the program recently started in February of 2012. Madison County Fiscal Court offers this service free to the citizens who live outside the cities of Richmond and Berea and whose neighborhoods are participating in the program. To see if you neighborhood participates, Electronics Recycling:

Bins for the recycling of electronic items are located at 208 Clarksville Lane and sent to Winchester for recycling. This service is offered free to the citizens of Madison County.

Richmond KY 40475

Function: PROCESS, DROPOFF, CURBSIDE
Materials: GL, AL, PL( HDPE, PET), OCC, OPMIX, OPSORT, ST CANS, ONP
Notes:
Our innovative drop chute design makes your visit to the center a pleasant one. Simply open the doors and place materials inside the chutes. The materials are then ready for our employees to gather on the inside. This design saves both time and money.

Easy to Read Instructions:
At the center citizens should not have any trouble deciding which chute to drop specific materials into. The green pull chute doors are labeled to guide users to the proper chutes. The green trash cans located by the chutes are for those items accidentally brought to the Center that are not recyclable such as: Plastic containers that are not #1 or #2, and #3 – #9 trash, brown plastic containers such as root beer bottles, or any type of glass or ceramic dishes.

**Notes:** OPEN MON-FRI 8 - 4:30, SAT 8:12:30. ALSO TAKES SOME AUTOMOTIVE PARTS, CALL FIRST and escrap.

Jimmy and Carol Butler opened Butler Recycling in its current location just outside Maysville, KY in 1997. Their goal was to provide excellent service and competitive prices to their customers as well as make a positive impact on the community. After thirteen years in business, Butler Recycling continues as a family owned business providing excellent service and the highest prices for nonferrous metals. Since opening, Butler Recycling has donated thousands of dollars to local charitable organizations in order to better our community.

Freedom Waste
400 State St
Paducah KY 42003

Function: DROPOFF
Materials: AL, PL(HDPE, PET), OCC, OPMIX, OPSORT, ST CANS, ONP, MRP
Notes:

Recycling Drop-Off Facility through Freedom Waste
As part of its contract with Freedom Waste Service, the City of Paducah offers a recycling drop point location. The location is adjacent to Freedom's transfer station at 400 State Street in Paducah. The facility is open Monday through Friday from 7 a.m. until 3:30 p.m. and Saturday from 8 a.m. until noon. There is no charge for the general public to drop off recyclables. Note: This facility is closed to the public on the following holidays: Thanksgiving Day, Christmas Day, and New Year's Day. Customers can drive through and unload their recyclables by placing them in one of the large blue containers. Please separate cardboard and place it in the marked bin. All other accepted recyclables can be placed together in the blue single-stream bins. Accepted recyclables include pasteboard (which includes cereal and other similar-type boxes), newspapers, magazines, junk mail, phone books, hardback and paperback books, office paper, tin, steel, and aluminum cans, and plastic containers. Please rinse containers before bringing them to the facility.

Notes: We Buy Old scrap metal items, like the ones you might have around your house.

1. Arrive at our facility, where a greeter will direct you (in most locations) to the ferrous or nonferrous area of the scrap yard based on what you’ve brought in that day.
2. Drive onto our scale with your scrap and present a valid photo ID, receive your weigh in ticket.
3. Proceed to the unloading area and remove the scrap metal from your vehicle. Please note, to keep our prices competitive, we may not have staff available to assist with unloading so if it took two people to load it, bring them along for help in unloading.
4. Go to the weigh out area, and we’ll give you a ticket based on the scrap’s weight and current scrap prices.
5. Take your ticket to the ATM follow the instructions on the kiosk and get cash for your scrap!

**UES** is the leading used oil collector and re-refinery in the South Eastern United States, providing environmental services such as used oil recycling, waste management, re-refining and more. Covering fourteen states and with a growing fleet of more than 100 trucks, UES collects more than 40M gallons of used oil annually. Customers of any size trust in our services and we are proud of our commitment. UES complies with the highest regulatory standards and is subject to continuous and detailed internal procedures. Our $60M state-of-the-art used oil re-refinery speaks for itself about our dedication to excel in our task of being the most efficient used oil collector and re-refiner in the USA Services Here is our business information:

MEADE COUNTY

Brandenburg (Curbside)  
737 High Street  
Brandenburg  
KY  
40108

Ronnie Joyner  
(270) 422-4981  
Serves: CITY

Type: GOVERNMENT FACILITY

Function: CURBSIDE
Materials: AL, PL (HDPE, PET), ST CANS, ONP
Notes:

Recycling
Please keep in mind that it is the responsibility of the residential customer to clean and care for the recycle bin. If your bin becomes damaged, please contact City Hall immediately. Lids for the bins can be ordered through City Hall, at a cost of $5.00 each. The customer would be responsible for the cost of the lid. If your bin is stolen, please report the theft to the City of Brandenburg Police Department within forty-eight hours. Also, be advised that should you sell, or for any reasons vacate the premises to which the recycle bin has been delivered, you shall be required to return the bin to the City of Brandenburg.

Here are items that are suitable for recycling.
Newspaper
Aluminum Cans
Tin Cans
Plastic items such as milk jugs and 2-liter bottles (clean, with no lids)

** No clear glass, window panes or auto glass

Bardstown KY 40004

Sheri Lutz (502) 349-6611
Type: GOVERNMENT FACILITY
Serves: COUNTY

Function: DROPOFF
Materials: AL, PL (HDPE, PET), OCC, OPMIX, ONP, MRP
Notes:
The Guthrie Opportunity Center (enter at ramp at rear)
900 Nutter Dr., Bardstown
Hours of Operation: M - F 7am - 4pm, closed for lunch: 12:00- 12:30.

The Guthrie Opportunity Center partners with the City of Bardstown to provide recycling services at the GO Center. We accept cardboard, plastic, and aluminum cans at the drop off location at the rear of the GO Center. We appreciate our current recycling patrons and hope to inform more of our Nelson County residents on the benefits of recycling with us. Our recycling services help reduce landfill waste while providing jobs for individuals with developmental and intellectual disabilities.

We recycle autos and scrap metal throughout the region, including Indiana, Ohio and Tennessee. We offer our services to commercial clients as well as individuals.

All scrap metal is processed on concrete. We use a state of the art EPA separator system to ensure the protection of our environment. We take pride in our work and strive to maintain the cleanest operation in the area.

Pendleton County Recycling
900 Woodson Rd, Southern Elementary Sch.
Falmouth, KY 41040

Billy Steele
(859) 654-1000

Serves: COUNTY

Type: GOVERNMENT FACILITY

Function: DROPOFF

Materials: GL, AL, PL( HDPE, PET), OCC, OPMIX, ST CANS, ONP, UO, ESCRAP, MRP

Notes:

Recycling Locations
• Pendleton County Road Barn
  E-scrap (electronic) including computers and devices (all types), power supplies, printers, cords, and chargers, may be taken to the Pendleton County Road Barn on Hwy 330. Drop offs accepted Monday thru Friday 7:00am to 3:00pm. We can NOT accept televisions or old style (CRT) computer monitors. If they are 36” or less, set them curbside for Rumpke to pick up. If the items are larger, utilize FREE day at the landfill every 2nd Saturday for disposal.

  Used oil and antifreeze may be taken to the Pendleton County Road Barn Monday through Friday 7:00am to 3:00pm. The Solid Waste Department also accepts old batteries, paint and propane tanks.

• Rumpke
  There are six mobile drop off recycling bins located in Pendleton County located at Northern and Southern Elementary, Pendleton County High School, Sharp Middle School, Pendleton County Animal Shelter, and Limestone Farm Lawn Worksite. Map of Recycling Centers in Pendleton County. They accept cardboard, newspaper, magazines, glass; steel food cans, aluminum cans, plastics (no.1 & 2).
  Free Day at the Landfill for Pendleton County Rumpke customers or residents of the City of Butler / City of Falmouth. Second Saturday of each month from 7:00am to 11:00am.
  ANY white goods including water heaters, stoves, microwaves, clothes washers, clothes dryers, refrigerators / freezers, and window air conditioning units may be dropped off FREE of charge at the Rumpke landfill any time during their normal business hours. You may contact Rumpke for hours of operation at 859-472-7339.

| Notes: | Recycling trailers recently purchased with grant funds have been placed at the Viper Park-and-Ride and the other at the Chavies/Grapevine Volunteer Fire Department. The trailers are available for Perry County citizens to recycle plastic, aluminum and cardboard items for recycling. Did you know Perry County has an Electronics Recycling Center? This recycling center is located at the Perry County Garage at Christopher. Perry County Fiscal Court and Judge Scott Alexander would like to invite you to bring your used, broken, or unwanted electronics to our Electronics Recycling Center. It is open from 8am to 4pm Monday through Friday. We accept any type of electronics you may have: old computers, TVs, microwaves, stoves, and anything that has or once had a cord. This service is provided to you free of charge. |
