III. Certification Statement of Applicant

All releases of petroleum governed by KRS 224.01-405 or a release of a hazardous substance, pollutant, or contaminant governed by KRS 224.01-400 occurred prior to the applicant's acquisition of the property;

The applicant made all appropriate inquiries into previous ownership and uses of the property in accordance with generally accepted practices;

The applicant has provided all legally required notices under this chapter with respect to hazardous substances, pollutants, contaminants, petroleum, or petroleum products found at the property;

The applicant is in compliance with all land use restrictions and will not impede the effectiveness or integrity of any institutional control required for the property;

The applicant complied with any information requests by the cabinet under KRS Chapter 224.

The applicant is not and has not been affiliated with any person who is potentially liable for the release of hazardous substances, pollutants, contaminants, petroleum, or petroleum products on the property pursuant to KRS 224.01-400, 224.01-405, or 224.60-135 through:

- a. Direct or indirect familial relationship;
- b. Any contractual, corporate, or financial relationship, excluding relationships created by instruments conveying or financing title or by contracts for sale of goods or services; or
- c. Reorganization of a business entity that was potentially liable; and

The applicant has not caused or contributed to the releases of petroleum governed by KRS 224.01-405 or the releases of a hazardous substance, pollutant, or contaminant governed by KRS 224.01-400.

"I certify under penalty of law that the information contained in this application and all attachments thereto, to the best of my knowledge and belief, true, accurate and complete. I am aware that there are significant penalties for submitting false information."
