

## Certified Cathodic Protection Testers

(Updated 12/09/15)

The following is a partial list of contractors who offer cathodic protection testing services in Kentucky. Inclusion of a company does not constitute any guarantee of services or imply an approval or endorsement by the Kentucky Department for Environmental Protection. Please confirm that any testing service you select holds all necessary certifications. Contact the Underground Storage Tank Branch if you have any questions at 502-564-5981.

Test results may be electronically submitted to the Underground Storage Tank Branch at:

<http://waste.ky.gov/UST/Pages/ElectronicSubmittals.aspx>
