PROFESSIONAL ENGINEER OR PROFESSIONAL GEOLOGIST CERTIFICATION OF COST ESTIMATE

I certify that the foregoing cost estimate requested amount is true and accurate, and is effective until _____. I understand that the Underground Storage Tank Branch may request additional information to verify that the costs are reasonable and necessary to the performance of corrective action.

Signature of PE/PG_____
Date**GENERAL REQUIREMENTS**

This request is for completion of the following Corrective Action activities and their expected costs per task directed in the scope of work for which there is not a formulated task rate. When determining the estimated costs, the following shall be used and submitted with the Cost Estimate Form DEP6090/03/11:

- a. The costs shall be calculated using the personnel and equipment rates established in the Contractor Cost Outline (August 2010) Section 3, and the Per Diem rates in Section 2.2;
- b. Include a cost itemization to complete the individual task if the task is being completed by the eligible company or partnership or a subcontractor;
- c. Include three (3) bids from suppliers or manufacturers of corrective action equipment for individual equipment purchases or rental, in excess of \$3,000.00, containing a description of the equipment to be purchased or rented provided by the supplier or manufacturer for new equipment purchased or rented.
- d. For materials to be used during corrective action, provide the estimate from the vender or subcontractor. If the work is to be performed by the vender a cost itemization associated with the work will also need to be provided.

ESTIMATED COSTS

Include a description of the task directed and the estimated costs (attach additional sheets if necessary). Attach to this form all required information as described in General Requirements.
