**RE: Agreed Order in Case No. DOW-170001
Corrective Action Plan: Phase I Technical Memorandum and Phase II Sampling Plan
for E.W. Brown Generating Station
Agency Interest ID No. 3148**

Dear Mr. Goodman:

Pursuant to the approved Corrective Action Plan for E.W. Brown Station, Kentucky Utilities Company (KU) is submitting the enclosed Corrective Action Plan: Phase I Technical Memorandum and Phase II Plan to the Energy and Environment Cabinet ("Cabinet") for review and approval. Also enclosed is a narrative Response to Comments document that discusses the revisions that were made to this memorandum in response to Cabinet comments on the draft Phase II sampling plan provided on April 25, 2018. Note that because of the size of the documents, the Appendices will be made available separately on a Share Site.

If you have any questions concerning the enclosed Technical Memorandum or Phase II Plan, please feel free to contact me at (502) 627-4621 or Mary Sorensen (Ramboll) at (678) 388-1647.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Gary H. Revlett', is written over a light blue horizontal line.
