

Sewer Overflow and Municipal Stormwater Reuse Grant (OSG): Letter of Intent

Instructions:

- Use this form to request consideration for funding of green infrastructure planning and implementation projects.
- The Letter of Intent should include:
 - A brief description of the proposed project
 - Details about any water quality or quantity issues of concern and how the proposed project would address those issues
 - Estimates of total project costs
 - For planning grants please include any information about intended partners and contractors, and if discussions are already in progress
 - You may include pictures and maps, but keep the narrative to no more than two pages
- Please submit the completed Letter of Intent to Dale Booth at dale.booth@ky.gov by May 2, 2025.
- Green infrastructure practices include but are not limited to: Downspout Disconnection, Rainwater Harvesting, Rain Gardens, Planter Boxes, Bioswales, Permeable Pavements, Green Streets/Alleys/Parking/Roofs, Urban Tree Canopy, Land Conservation, Green Detention Basin Retrofits, Green Sinks, Wetland Restoration, Stream Restoration, and Riparian Zone Plantings.
