

KYR10 - Stormwater Construction
Effective 12-1-19; Expires 11-30-24

This general permit authorizes the discharge of pollutants in stormwater discharges associated with both small and large construction activities. As used in this permit, “stormwater associated with construction activity” refers to the disturbance of one or more acres or is a part of a larger common plan of development or sale if the larger common plan will ultimately disturb one acre or more.

Paper notices of intent and termination are no longer accepted. Electronic NOI/NOT can be filed using the links below.
