# RAIN BARREL TIPS

Get the Most  
Out of Your Rain  
Barrel!

Attach a  
hose to the  
threaded  
overflow to direct  
water away from  
your foundation

Don't  
forget!  
Rain Barrel  
water is not for  
drinking!

Use  
gutter  
guards to  
prevent leaves  
from getting into  
your barrel

Prevent  
mosquitoes  
by using all  
natural BTI  
Dunks

Clean  
your rain  
barrel out  
annually

Drain  
the barrel  
and open the  
spigot in winter  
to avoid cracking
