

FFY 2023: 319 Letter of Intent

Kentucky Nonpoint Source Pollution Management Program

Instructions:

- The Division of Water encourages the use of this Letter of Intent to notify its Nonpoint Source Program of the intended submission of an application.
- The Letter of Intent opens a dialogue between potential partners and the Nonpoint Source Program to ensure that the proposed project is eligible and financially reasonable before submission of the full application.
- The Letter of Intent should include:
 - A brief description of the proposed project
 - Details about any water quality issues of concern and how the proposed project would address those issues
- Please submit the completed Letter of Intent to Joanna Ashford at joanna.ashford@ky.gov by November 15, 2022.
- The Kentucky Division of Water will respond to Letters of Intent by December 1, 2022.
