September 13, 2019

Dear Concerned Citizen,

On June 12, 2019, the Division of Water ("the Division") filed proposed amendments to the following administrative regulations:

- 401 KAR 10:001 Definitions
- 401 KAR 10:026 Designation of uses of surface waters
- 401 KAR 10:029 General provisions
- 401 KAR 10:030 Antidegradation policy implementation methodology
- 401 KAR 10:031 Surface water standards

During the public comment period, which closed on July 31, 2019, the Division received written and verbal comments regarding the proposed amendments.

On September 13, 2019, the Division filed a Statement of Consideration and proposed additional amendments to the regulations with the Legislative Research Commission (LRC). A copy of the Statement of Consideration is attached and the proposed administrative regulations will be made available to you on the Division’s web site at https://eec.ky.gov/Environmental-Protection/Water/Regs/Pages/default.aspx under the “Pending Regulations” tab, and on the LRC web site at https://apps.legislature.ky.gov/law/kar/TITLE401.HTM when they are published in the Administrative Register. Both web sites can be accessed online through public libraries or any computer with internet access.

The Division appreciates and recognizes the importance of public participation in the regulatory process, and the role it plays in meeting and protecting the needs of Kentucky citizens, stakeholders, and natural resources.

Sincerely,

[Signature]
Peter T. Goodmann, Director
Division of Water
