RAIN BARREL TIPS

Get the Most
Out of Your Rain
Barrel!

Don't
forget!
Rain Barrel
water is not for
drinking!

Attach a
hose to the
threaded
overflow to direct
water away from
your foundation

Use
gutter
guards to
prevent leaves
from getting into
your barrel

Prevent
mosquitoes
by using all
natural BTI
Dunks

Clean
your rain
barrel out
annually

Drain
the barrel
and open the
spigot in winter
to avoid cracking
