Old Business – Nothing to report.

New Business –

• Marketing the new AWQ Planning Tool with Red7e – Ms. Paulette Akers stated that funds were received from the EPA to develop a new online Ag Water Quality Plan tool. These funds allowed the hiring of an agency to help get the word out that a new water quality planning tool was available.
Because the funds came from the EPA and through the Division of Water, the hiring had to go through the state contracting procedure to do this. Three different companies were submitted and Red7e was hired.

Ms. Paulette Akers turned the floor over to Mr. Jim Hoyland from Red7e Agency. Mr. Jim Hoyland stated the following with the Authority:

- Red7e has been around since the 70s
- Red7e is known for their creative abilities and are a full service agency
- Red7e has contracts with the state for the past five years now
  - Department of Agriculture, Health and Human Services and Transportation
- Types of services that Red7e will provide the Authority –
  - Media recommendation and strategy
  - Video, audio streaming, display ads, tradeshow banners, and an array of messaging platforms that can be used
  - Put your message together with graphics that will promote the program

- **Meeting format discussion** – The Authority discussed what meeting options were available to them for the upcoming 2022 year. The Authority decided to include a hybrid meeting (virtual / in person) as an option for any in-person meeting in the upcoming 2022 year excluding meetings held outside traditional office settings.

- **Meeting schedule for 2022** –
  - February 10th
  - May 5th – Field Trip (all day event)
  - August 25th – State Fair
  - November 3rd

Mr. Larry Thomas, serving as Chair of the Authority has approved the above meeting dates for the upcoming 2022 year.

- **Strategic Plan** - The Authority will receive feedback from a committee meeting to work on any additions or revisions at the February 2022.

Ms. Paulette Akers stated that at the September Soil and Water Conservation Commission meeting, the Commission nominated Mr. Todd Clark for the position of farmer-at-large with the AWQA. The EEC Secretary’s office requires a total of three nominees before any approval. The Commission decided to recommend Mr. Fred Sipes and Mr. Jack Stickney along with Mr. Todd Clark as the three nominees for the position of farmer-at-large with the AWQA.
