WELCOME TO TREE CITY USA!

TREE CITY USA

KENTUCKY DIVISION OF FORESTRY
The Tree City USA (TCUSA) Program recognizes communities that demonstrate a strong commitment to the management of their urban forests. This program is sponsored by the National Arbor Day Foundation, in cooperation with the National Association of State Foresters. The Kentucky Division of Forestry offers technical and educational assistance that enables communities to develop sustainable community forestry programs.

This booklet contains step-by-step instructions to walk the first time TCUSA applicant through the application process. Four standards are required for certification, and the requirements for each are outlined within this booklet. It is important for communities to carefully review the four required standards at the beginning of the calendar year to allow time for meeting the standards. If you need assistance or have any questions, contact the Kentucky Division of Forestry at (502) 564-4496.

WHEREAS, trees provide a setting with a variety of color unsurpassed in shade and hue; and
WHEREAS, trees are an invaluable physiological counterpart to the man-made urban setting; and
WHEREAS, trees absorb a high percentage of carbon dioxide and return oxygen, a vital ingredient to life; and
WHEREAS, trees are a valuable asset that can affect an area economically; and
WHEREAS, the City Commission of the City of Hometown has determined that the protection of trees on public property within Hometown is not only desirable but essential to the present and future safety, and welfare of all citizens; and
WHEREAS, the City of Hometown recognizes that trees on public property are valuable contributors to the City's environment;
NOW THEREFORE, be it ordained by the City Commission of the City of Hometown, Kentucky:
Section 1: Definitions

Street Trees: "Street trees" are herein defined as trees, shrubs, bushes, and all other woody vegetation on land lying between property lines on either side of all streets, avenues, or ways within the City.

Park Trees: "Park trees" are herein defined as trees, shrubs, bushes, and all other woody vegetation in public parks having individual names, and all areas owned by the City or which the public has free access as a park.

Section 2: Creation and Establishment of a City Tree Board

There is hereby created and established a City Tree Board for the City of Hometown, Kentucky, which shall consist of five members, citizens, and residents of the City, who shall be appointed by the Mayor with the approval of the Commission.

Section 3: Term of Office

The term of the five persons appointed by the Mayor shall be three years except that the term of two of the members appointed initially shall be for one year, and the term of two members of the first Board shall be for two years. In the event that a vacancy shall occur during the term of any member, his successor shall be appointed for the unexpired portion of the term.

Section 4: Compensation

Members of the Board shall serve without compensation.

Section 5: Duties and Responsibilities

It shall be the responsibility of the Board to study, investigate, counsel, develop and/or update annually, and administer a written plan for
Section 6: Operation

The Board shall choose its own officers, make its own rules and regulations, and keep a journal of its findings. A majority of the members shall be a quorum for the transaction of business.

Section 7: Street Tree Species to be Planted

Tree Board will formulate an official Street Tree Species List for Hometown, Kentucky. The list of allowable species shall be broken down into categories of small, medium, and large trees. No species other than those included in this list may be planted as Street Trees without written permission of the City Tree Board.

Section 8: Spacing

The spacing of street trees will be in accordance with the three size classes referred to in Section 7 of this ordinance, and no trees may be planted closer together than the following: small trees, 30 feet; medium trees, 40 feet; and large trees, 50 feet.

Section 9: Distance from Curb and Sidewalk

The distance trees may be planted from curbs or curblines and sidewalks will be in accordance
with the three size classes listed in Section 7 of this ordinance, and no trees may be planted closer to any curb or sidewalk than the following: small trees, 2 feet; medium trees, 3 feet; and large trees, 4 feet.

EXAMPLE (Standard 4)

Proclamation

WHEREAS, In 1872 J. Sterling Morton proposed to the Nebraska Board of Agriculture that a special day be set aside for the planting of trees, and
WHEREAS, trees can reduce the erosion of our precious top soil by wind and water, cut heating and cooling costs, moderate the temperature, clean the air, release oxygen, and provide habitat for wildlife, and
WHEREAS, trees are a renewable resource giving us paper, wood for our homes, fuel for our fires, and countless other wood products, and
WHEREAS, trees in our city increase property values, enhance the economic vitality of business areas, and beautify our community, and
WHEREAS, trees, wherever they are planted, are a source of joy and spiritual renewal,

NOW, THEREFORE, I, John Doe, Mayor of Hometown, Kentucky, do hereby proclaim April 5, 1999, as

ARBORDAY

In the City of Hometown, and I urge all citizens to support our city's urban forestry program, and FURTHER, I urge all citizens to plant trees to gladden the hearts and promote the well-being of present and future generations.

DATED this 5th day of April, 1999
