HAPPY NEW YEAR!

2020 KENTUCKY FOREST ACTION PLAN RELEASED

The Kentucky Division of Forestry last summer released the 2020 Kentucky Forest Action Plan, a 10-year strategic planning document comprehensively focusing on the sustainable management of Kentucky’s forest resource and forest economy for this decade. The plan deadline, US Forest Service approval, and release date became delayed thanks to the impact of the covid-19 pandemic. Details of the 2020 Kentucky Forest Action Plan may be found at the Division of Forestry website link: Kentucky's Forest Action Plan - Kentucky Energy and Environment Cabinet

REAL AMERICAN HARDWOOD PROMOTION

What is the REAL AMERICAN HARDWOOD promotion? The REAL AMERICAN HARDWOOD promotion is a promotional campaign by a coalition of the hardwood-manufacturing sector and hardwood trade associations in using natural hardwood products. Concern of a declining market share by using alternative hardwood appearance products, along with unstable hardwood trade agreements, has prompted a call to action by utilizing a comprehensive campaign marketing approach.
For additional information about this promotion check out the following link: www.realamericanhardwood.org

MARKETING SUPPLEMENT

WANTED - SAWN FOREST PRODUCTS

Seeking a continuous source of hardwood crossties. Contact Brandon Rothschild, Global Partners, Inc., 410-626-1502 or 410-703-8301

KENTUCKY MASTER LOGGER PROGRAM

Kentucky Master Logger Program is required by law - the Kentucky Forest Conservation Act requires that at least one graduate of the KY Master Logger (KML) Program is on site and in charge of each commercial logging operation (excluding horse logging). The law also requires the use of bmp’s on all commercial logging operations. The KML Program is held 9:00am to 5:00pm local time. To successfully complete the KML program you must attend and participate in all three days. Each program is limited to 50 participants.

2022 KENTUCKY MASTER LOGGER PROGRAM SCHEDULE

Pre-registration is required to attend due to Covid-19. No walk-ins allowed

Registration Required. All participants are required to register. Registration fee is $85.00 per person.
Pre-registration is required to attend due to Covid-19. No walk-ins allowed

**Registration required.** All participants are required to register. Registration fee is **$50.00** per person for a 6-credit hour class unless otherwise noted. Contact: Kentucky Master Logger Program, 859-257-6230, 800-859-6006, or click on “registration form” in the KML Web site: [Kentucky Master Logger (uky.edu)](http://www.uky.edu)

**February 7**

ANNOUNCEMENT

❑ At last! A monthly buy-sell publication that reaches almost every sawmill and pallet mill in the USA. For your sawmill or pallet mill to be put on the mailing list, simply call 800-992-3432, and you will receive each month, at no charge, your copy of American Lumber & Pallet. Website: www.amlumber.com.

❑ The National Wooden Pallet and Container Association (NWPCA) is an international trade association of unit load professionals who manufacturer, recycle and distribute pallets and other unit load bases, containers and reels. NWPCA is dedicated to the success of its members by helping them create environmentally responsible, cost-effective solutions to meet their customers' changing materials handling needs.

- "Pallets Move the World...With Your Help", is a 10-minute training video on proper pallet handling techniques. It is designed for use by lift truck drivers, warehouse personnel and material handling professionals who want to increase their awareness of how proper pallet handling can save time and money by reducing damage. Get a copy now to improve your bottom line by improving your materials handling practices. Contact NWPCA directly at 703-527-7670 x 209. There is a charge for the video of $29.95 ($19.95 for NWPCA members). You may fax your order to 703-527-7717 or e-mail your request to palletmbr@aol.com. Please include your name, title, company, address, phone and fax numbers and credit card information.
• Pallet and container solutions available online. The NWPCA Website (http://www.nw pca.com) features a continuously updated roster of pallet, container and reel providers, including contact information, a listing of the specific products and services they offer, and hotlinks to individual company websites. Pallet users can use the site to locate suppliers in their area that offer the products they need, including new and repaired pallets and containers, and services such as retrieval and recovery systems or disposal solutions. The NWPCA Website also contains information about pallet quality assurance programs; pallet design and construction standards; publications and services available from NWPCA and its member companies; and a calendar of events. An “industry watch” section features articles covering news and trends affecting the industry.

❑ **Wood Industries of Kentucky Directory**, searchable directory can be found at the UK forestry website: https://kentuckywoodindustry.ca.uky.edu/

❑ **Kentucky Delivered Log Price Report** within this publication can also be found at Resource Utilization and Marketing - Kentucky Energy and Environment Cabinet

**Harvest gold - charity! Help the kids!!!**
Timberland owners who have their timber cruised and marked for harvest may at their option - donate up to 10% of gross value or 10% of their trees, as IRS rules, tax deductible!! Please donate to: Kentucky Forest Industries Association's - "Log-a-Load for Kids" which benefits children's hospitals. 100% of contributions will go to the University of Kentucky Children's Hospital. You may call direct to donate now!

**Kentucky Forest Industries Association**, 106 Progress Drive, Frankfort, KY 40601 or 502-695-397
Data compiled by Stewart West of the Forest Resource Utilization Program, Kentucky Division of Forestry. The prices listed are a range based on species, average High, Medium, and Low-price ranges and specified purchased usage. All commercial logging must be done in compliance with the Kentucky Forest Conservation Act.

Stewart M. West
This survey represents approximate log pricing received at the mill by the logger or individual selling to the mill. This does not represent, imply, or assume pricing for standing timber on your farm or woodland.

Landowners and Farmers Please Note:
In order to make full use of this log pricing data; you should have a cruising report performed by a qualified forester showing species, grade, and footage of the standing timber on your property. Additionally, you must also understand the related expenses in harvesting and transporting timber from your property to the purchasing mill. Farmers and landowners will receive stumpage prices less than those listed in this report by as much as 50% or more in some instances. Costs of logging vary greatly due to access, proximity of the timber to a main road, terrain, distance to the purchasing mill, prevailing conditions, species composition, timber quality, timber size, footage per acre, market species demand, and costs associated with the use of appropriate best management practices (bmps).

Note: all values are expressed for unsawn logs delivered to the mill in dollars per 1000 board feet (mbf) as estimated by the doyle log rule unless otherwise noted.

Training Location (Please specify which 3-day program you want to attend from the current schedule)
First Choice: ___________________________ Dates: __________

Second Choice: ___________________________ Dates: __________

Important Program Information:
1. Registration fee is nonrefundable within five (5) working days prior to the first day of training. Participants will be prioritized for class space up to five (5) working days before the class.
2. If a participant cancels within five (5) working days or misses a session, he/she will be put on a waiting list for the next available training.
3. The participant must provide personal transportation to the field sites, as required at some locations.
4. The participant must furnish personal protective equipment (PPE) hard hat. Under no circumstances will participants be allowed on field sites without proper PPE.
5. Classes are limited to fifty (50) participants, the Commonwealth of Kentucky reserves the right to cancel a program if there are not sufficient participants scheduled at a location.
6. Attendance of all three (3) sessions is required for graduation.

Revised 8/31/10
Kentucky’s GROWING GOLD is edited bi-annually and distributed by the Kentucky Division of Forestry for the forest products industry of Kentucky. Its’ space is devoted to listings of privately-owned timber for sale that has been marked for cutting, occasional articles and items of interest that have a bearing on the forest industry, and some references to applicable research pamphlets and bulletins dealing with primary problems.

Kentucky’s GROWING GOLD is available electronically to those who request it. A call, a note, or a letter with your name, email address, and type of business of interest will place you on the mailing list at no charge. You may also request that GROWING GOLD be sent to your email address by including your mailing address with the information above. GROWING GOLD is available for viewing through the Kentucky Division of Forestry’s website: https://eec.ky.gov/Natural-Resources/Forestry/Pages/default.aspx

For an e-mail or printed copy, please send all correspondence to:
