Dear Ms. Little,

Pursuant to KRS 13A.040(10) this letter is to notify you of technical amendments that need to be made to 405 KAR 10:070. The form incorporated by reference in the administrative regulation contains the address to the former location of the Office of the Kentucky Reclamation Guaranty Fund. Therefore, the Department for Natural Resources requests a technical amendment be made to insert "300 Sower Boulevard, Frankfort, KY 40601" in place of the former address of "#2 Hudson Hollow, Frankfort, Kentucky 40601" in the following manner.

1. 405 KAR 10:070, Section 5(1)(a) – The edition date for form RGF -1 "Kentucky Reclamation Guaranty Fund Quarterly Fee Report should be changed from "June 2013" to "November 2016".

A new form with the correct address and new addition date is included.

Sincerely,

Allen Luttrell
