Coal Industry Employee Certification Form

Per OSMRE **Bipartisan Infrastructure Law (BIL) (Public Law 117-58)** Guidance for Abandoned Mine Land Implementation:

*“In spending BIL AML funds, as authorized by **section 40701(f) of the BIL**, States and Tribes should, consistent with State or Tribal applicable law, prioritize providing employment opportunities to current and former employees of the coal industry, when such employees are available to work on projects within the region, State, or local area.”*

To comply with OSMRE Guidance, the Kentucky Division of Abandoned Mine Lands requires all contractors awarded a BIL-funded project to submit data on current employees who are currently, or were previously, employed in the coal mining industry. Coal industry employment may include employment in any capacity directly related to coal mining, processing, transport, or power generation.

NOTE: This form must be signed and dated within 30 days of submission to be considered for a current bid.
