RAM # 168

The Department for Natural Resources has been working towards implementation of the new web-based Surface Mining Information System (SMIS). The primary changes under the new SMIS include changes to the user interface and of the navigation tabs, allowing the user to view more information on one page.

Prior to implementation, the Department wishes to provide training for all users. SMIS training will be held on December 16, 2019 from 10:00 am to 1:00 pm. The location will be:

Training Rooms A, B, and C

300 Sower Blvd.

Frankfort, KY 40601

SMIS training will also be available via Go to Meeting, for those who are unable to attend in Frankfort. Please be advised that only 200 openings are available for the Go to Meeting. The meeting link is provided below:
