Energy and Environment Cabinet
Department for Natural Resources

Reclamation Advisory Memorandum

From: Allen Luttrell, Commissioner *AL*

Date: November 7, 2017

Subject: DNR Central Office and
Field Office Relocations

RAM # 164

The Department for Natural Resources Frankfort offices (Mine Permits, Reclamation and Enforcement, Abandoned Mine Lands, Oil & Gas, Forestry, Mine Safety and Conservation) have been centralized. All of these Divisions are now located at:

300 Sower Blvd.
Frankfort, KY 40601

The Division of Mine Reclamation and Enforcement (DMRE) London Regional Office has been moved to the current Middlesboro Regional Office location, effective November 1, 2016. The office hours are Monday through Friday, 8:00 am to 4:30 pm. The new address and phone number are:

1804 East Cumberland Avenue
Middlesboro KY 40965-1229
Phone: 606-248-6166
FAX: 606-248-3837

Due to changing personnel needs and shifts within the coal industry, the new location will allow DMRE to provide the same quality of service for the Commonwealth and ensure protection of the environment while reducing overhead costs and maintaining fiscal responsibility.

The Department for Natural Resources, in addition to DMRE appreciates your continued patience during this office consolidation process. If you have any questions, please contact Acting Director Courtney Skaggs at 502-782-6770.

The Energy and Environment Cabinet does not discriminate on the basis of race, color, national origin, sex, age, religion, or disability and provides, on request, reasonable accommodations including auxiliary aids and services necessary to afford an individual with a disability an equal opportunity to participate in all services, programs, and activities.
