## **EXAMPLE OF ELECTRICAL WORK EXPERIENCE**

### **FIGURE NUMBER 1:**

While working for Push and Grunt Coal Company from 1990 to 1995 I assisted a certified electrician in the following electrical work:

- 14 CM Joy Miner - List each thing that you did electrical to this miner, and then go to the next piece of equipment.
- Roof Bolter, Fletcher – List each electrical Repair.
- Pump – List Each Electrical Repair
- Feeder – List each electrical repair
- Shuttle Car - List each electrical repair
- Charger - List each electrical repair
- Transformer - List each electrical repair

*NOTE: Also list splicing cables one time for each company*

(EXAMPLE): I assisted an electrician in splicing low, medium, and high voltage cables.

After completing the Push and Grunt Coal Company, go to the next company and repeat Figure Number 1 Using Number 2 Company Name, from and to dates and list each piece of equipment.

## INSTRUCTIONS FOR ELECTRICAL QUALIFICATIONS/CERTIFICATION

### DETAILED RESUME

A detailed resume is required. It is important that you fully document your time of electrical experience with you current and previous employers on your resume. (Include the address for all previous employers). Please be specific about what type of work you did, and how it related to **electrical** work and mining experience. Include details that support you one year of electrical experience. Wording such as maintained, removed, repaired, wired, changed, troubleshot, spliced cable, installed resistance grounded system, worked on a continuous miner, or conducted weekly permissibility, etc., needs to be fully explained regarding what **electrical** work you performed during each task(s).

- Document your experience in Low, Medium and High Voltage
- Document your practical knowledge to perform the specified task for each **electrical** work activity.
- Document your experience by demonstrating what you have performed for each **electrical** work activity.
- Describe in detail each task performed from start to finish of **electrical** work. i.e. trouble shooting, splices, replacing/changing/installing motors, permissibility, continuous miner, etc.
- Include any documents to verify any training or other related experience, i.e. certificates, transcripts, etc.
- Only electrical wok described by MSHA Program Policy Manual may be credited towards **electrical** experience, i.e. work required to install or maintain electric equipment or conductors.
- Document the time spent conducting each electrical work activity.
- The **electrical** work claimed must be reasonable to be credited towards **electrical** experience.
- Provide specific job titles or programs and the start and stop dates of each.
- Please sign and date the submitted document.

#### Examiner/Instructor

- Provide the MSHA 5000-1 Form when applicable

*Whoever knowingly makes any false statement, representation, or certification in any application, record, report, plan or other document filed or required to be maintained pursuant to this Act shall upon conviction, be punished by a fine of no more than \$10,000.00, by imprisonment for no more than five years, or both.*

CERTIFICATION OF ELECTRICAL EXAMINATION DATES

NAME: \_\_\_\_\_

SOCIAL SECURITY NO. \_\_\_\_\_

EMPLOYER: \_\_\_\_\_

EMPLOYER'S ADDRESS: \_\_\_\_\_

I \_\_\_\_\_ on this day of \_\_\_\_\_, 20\_\_\_\_\_

Certify under the penalties of perjury , that I have not taken the Kentucky  
Electrical Worker Examination within the last 30 days, and that the above  
information is correct.

APPLICANT'S SIGNATURE: \_\_\_\_\_

WITNESS: \_\_\_\_\_
