The Kentucky Heritage Land Conservation Fund was established to provide funds to local and state government agencies, colleges and universities, and nonprofit land trusts to conserve natural areas, including:

- areas with rare or endangered species;
- areas important to migratory birds;
- areas that perform important natural functions that are subject to alteration or loss;
- and/or areas to be preserved in their natural state for public use, outdoor recreation and education.

To receive grant application instructions, guidelines, and forms, please contact: Kentucky
